Top 10 Reasons to Choose Unitek

Unitek's offers the Linux LPIC 1 certification boot camp that recognizes the increased importance placed on IT professionals of today who are responsible for integrating the elements of system administration common to all distributions of the Linux operating system and associated tools.

The Linux Professional Institute (LPIC 1) certification is distribution neutral, following the Linux Standard Base and other relevant standards and conventions. The CompTIA Linux certification validates technical competency and provides a broad awareness of Linux operating systems. Those holding Linux certification demonstrate critical knowledge of installation, operation, administration and troubleshooting services. Linux LPIC 1 Boot camp Schedule and Hours

DATES: {jumi [josaddphp/suse_dates_query.php]}

Located outside our service areas? No problem. We also offer this course in the Live Online format. If you prefer face-to-face interaction, we offer hotel/airfare packages that are extremely inexpensive. Quite often, we bundle the hotel stay into the cost of the class for no extra charge.

Linux LPIC 1 Boot camp highlights

- 70+ hours of hands-on instructor led training by the best in the industry. 10+ hours per day of instruction from a Linux certified instructor.
- High-speed wireless Internet access for your laptops in both the training center and the hotel.
- Guaranteed exam passing (for qualified candidates)!! Also unique 'first day money back guarantee' (see guarantee section for more details)
- Up to two free test vouchers for use during the boot camp.
- Training boot camps are held in state of the art educational classrooms, not just your typical hotel conference rooms.
- Option for single-occupancy room stay at a local hotel for seven nights, breakfast included.
- All inclusive boot camp includes fresh catered lunch, with snacks and refreshments provided throughout the day!
- High quality and high accuracy test preparation software for both tests are included.
- 20 Dedicated testing stations for students.
- Free shuttle service between hotel and training center. Free shuttle between hotel and airport might be available.

Linux Iron-clad LPIC 1 Guarantee

Our guarantee to you: You will obtain your LPIC 1 certification.

Furthermore, we believe this LPIC 1 course offers the best possible Linux training in this field. If during the first day, you are not satisfied and wish to withdraw from the LPIC 1 course, simply notify the instructor, return all LPIC 1 course materials, and receive a 100% refund. All Linux Boot Camp materials must remain with the instructor at the time of withdrawal. If you have written anything in the Linux training materials, we will not be able to take them back and will charge you for them.

The following will void your Linux LPIC 1 training guarantee:

- Not keeping your cellular phone & pagers on mute during class hours for business purposes.
- Arriving late for class, or leaving early. Linux LPIC 1 Boot Camp Pre-Requisites

This Linux boot camp is designed for students who have minimum of two years of experience in the Linux computer

industry, those that have extensive experience with at least one other operating system and have working knowledge of a Unix style editor.

Linux LPIC 1 Vouchers and Exams

The Linux Boot Camp will prepare you for the following Linux exams:

- Linux Exam 101: LPIC 101
- Linux Exam 102: LPIC 102
